

On Thursday April 1, 2010 at 2:00 EST the Payer Typology Sub-committee will hold a Collaboration and Maintenance Meeting. This is an opportunity to request changes or additions to the Source of Payment Typology. It is important to note that the ANSI X12 standards as well as the UB-04 Specifications have been changed to reference the Source of Payment Typology. Future versions of the Health Care Service Data Reporting Guide will reference the Source of Payment Typology as the standard for reporting this information.

The call in information is:

**Call in number: 866-775-2548**

**Pass Code: 9472328**
